

The right ingredients for a complete community

Park Tower 1 includes 39 storeys of spacious 1 and 2 bedroom homes built by Century Group

Directly across the street from King George SkyTrain Station—connecting west to Downtown Vancouver and, in the future, east to Langley City Centre

Exclusively bordering the sprawling green space of 25-acre Holland Park

40,500 SF of amenities, restaurant & retail at your front door

Stunning, architecture by one of North America's premier architectural firms, ZGF Architects

The show-stopping design continues inside, with modern details and finishes of the highest quality by Ste. Marie
